City of San Diego ▪ District Three

Friends,

It seems as though summer has finally reached San Diego! I hope you enjoy it safely and find time to attend two events this week.

Grand Re-Opening of Montclair Park's Playground

Tomorrow at noon I will join with North Park neighbors and City staff from both the Park and Recreation Department and the Engineering and Capital Projects Department to officially re-open the new and improved playground at Montclair Neighborhood Park.

Three years ago, the playground was destroyed by a drunk driver. The 6,000 square foot tot lot was completely redesigned, and I can't wait to see it back in use by local families.
